“ Ethel & family - Our deepest condolences. Just heard about Vernon. We are grieving with you. He is such a treasured friend to us. This world is so temporal. Ethel please trust & know God is still in control. He will bring you through. Be prayerful & know calmness comes after every storm. Family stay strong. Be there for each other. Memories can bring us joy as we reflect on the good times. Calling Vernon name would put the biggest smile on his face. His curls & cars- signature trademarks. Overseas trips, stopover visits in Denver to say “hi”, Mardi gras & phone calls through the years. Wow..Husband, dad, friend; yes Vernon you will indeed be missed. You will remain in our hearts. Ethel we love you & will keep in touch. God’s blessing & peace over all. Family is Everything value every moment. Our condolences.

“ *Ethel, Vernon Jr, Victor and the entire York family to God be the Glory. Vernon Sr and I have been friends, traveling brothers and just plain good old buddies since 1976. We shared a lot of good times together and my heart is heavy by the loss of my friend. The last time we talked was on the weekend before he was scheduled for his latest surgery... his spirits were high and he was looking forward to returning home home post surgery so he could spend some more time with his youngest grandson whom he nick named "Heavy". But, little did we know, God had other plans for Vernon Sr... gone too soon my brother. May you rest in peace and we'll see you on the other side. Love y'all. Family be strong and hold on to God's unchanging Hands. Your brother and sister in Christ, Gene and Lenora Nelson and family.*
