May 14, 1950 - January 10, 2019

Vivian Ann Freeman (Smith) was born on May 14, 1950 in Hartshorne, OK in the union Of Lee Smith Sr. and Ora Smith. Vivian's family moved to Denver, CO when she was around the age of 5 and into her lifelong home in the historic Five Points area where she lived for over 60 years. She attended Mitchell elementary, Loyola Catholic School and Manual High School. While in high school she learned to sew, which she grew a passion for and it became her favorite pass time. Upon Completion of high school she attended Carroll College in Helena Montana, eventually, transferring to Metro State college of Denver, accumulating enough credits for an associate's degree.

Vivian began working for Mountain Bell (CenturyLink) during the 1970's and retired from the same company in 2003. Once retired, she loved taking annual trips, spending time with her children, and she had a love for fashion that ensured she left home looking her best.

Vivian kept her faith in God strong as a member of both Holy Ghost Catholic Church and The Red Shield Salvation Army. On January 10, 2019 she made her passage of life's journey and was promoted to glory. She was preceded by her mother Ora Smith, father Lee Smith, step-mother Francis Smith, sisters Gracie Lee Turner and Barbara Jo Smith-Jenkins, and brother Lee T. Smith, Jr.

To cherish her memories Vivian is survived by her son Darrell Smith (Dickens) daughters Ruby Lynn Smith, DaNea Ida Freeman, and Valisa Ann Freeman, 8 grandchildren, and an extension of family and friends.

“ My sincere condolences to my first cousins, Ruby, Darrell, Valisa, and DaNea on the sudden passing of their Mother, my Aunt Vivian. Aunt Vivian was the last living of the four siblings and the last remaining of the immediate family. She was kind, considerate and generous to me as a young boy and when I was 13-years-old on my way to a national basketball tournament, she said to me that she always knew that I was going to be a special person from the time I was born.

This is but one of the many fond memories that I have of my Aunt Vivian while growing up in Denver. I regret that I was unable to speak with her before she passed, but I will always remember how special she made me feel and how loving and caring she was to me as a young boy. May God bless my Aunt Vivian and may He give peace and comfort to my cousins as they mourn her passing.
